

Ref. No. CU/DCPD/25-26/E_260604-1599

Date: 5th Jun 2026

Mandatory CUCAT | Summer Winning Camp-B

DCPD_ BE (CSE, IT Non Kargil) & BE (NON CSE) Batch 2027 PO_Notice No:302

This is to inform that the MANDATORY CUCAT for the TPP registered active students of BE (CSE, IT Non Kargil) & BE (NON CSE) Batch 2027 PO Pass out (for DCPD Summer Winning Camp-B) is planned in a physical mode from CU labs as per below said details.

This is an important test, as the test will analyse your hold on the three subjects i.e. Quantitative Aptitude, Logical Reasoning and English.

Branch	Date	Slot	SWC Group		Reporting Time
			From	To	
BE (CSE, IT Non Kargil) & BE (NON CSE)	8-Jun-26	Slot-1	G-37	G-46	9:45 AM
		Slot-2	G-47	G-54	1:45 PM
	9-Jun-26	Slot-1	G-55	G-62	9:45 AM
		Slot-2	G-63	G-73	1:45 PM

Note: - Please note that the test will start only on a Lockdown browser.

Steps to download and install the Browser:-

1. Lockdown browser exe file downloadable links are pasted below and they will also be available in the email sent by DCPD.
Mac device :<https://amcatglobal.aspiringminds.com/assets/major/respondus/InstallLDBOEM-SDK.zip>
Windows device: <https://amcatglobal.aspiringminds.com/assets/major/respondus/LockDownBrowserOEMSetup.exe>
2. Students have to download the exe files from the links in the email and installs the software on their respective systems.
3. Students will receive the email invite with the test link only on their cuhd email and also on their UIMS.
4. On clicking this link, they will land on the CUCAT test page that has 2 options:
 - a. Launch the test: If the browser file is installed on the student's system, he/she clicks on this button. Clicking here will launch the test in the lockdown browser window
 - b. Download the browser: If the student has not downloaded/installed the file, they can download and install it on their systems by clicking on this button
5. Students should close all extra applications and programs before launching the test. They'll be asked to close any running application that may allow screen sharing
6. Students can close the lockdown browser at any given point of time in the test. The student will be logged out and it will be counted as a resume count

Details of the number of questions and the corresponding time to attempt for the sections are mentioned below:

Exam Pattern_CUCAT

Some of the **important instructions** and guidelines for the test are mentioned below: -

- Reporting Time for the test are as below. No student is allowed to sit in CUCAT if they report late.

Slot	Reporting Timings
Slot-1	9:45 AM
Slot-2	1:45 PM

- Test will be conducted in physical mode only.
- Login credentials/Link will be shared via CU student official email ID only (e.g. UID@cuchd.in) and will also be available on CUIMS under important notification one day prior to the CUCAT.
- No student should be allowed to appear in the CUCAT assessment without a valid CU ID card. Please ensure that the photograph on the ID card must match the student present for the assessment. No deviation will be permitted under any circumstances
- If a student is involved in any unethical activity while appearing for the test or is found cheating by any means, CU Invigilator will immediately end his/her test and no further chance to attempt the test will be given.
- Rough sheets will be provided to the students by the university in the lab only.
- Marking attendance on the attendance sheets shared at the venue is mandatory else student will be marked as ABSENT.
- Please note down the CUCAT ID in your records for future reference.
- Complete the test in one go as no breaks are allowed in-between.
- Keep a track of time as the test is timed and will be auto-submitted after the completion of the time.
- Mandatorily answer all the questions while completing all the modules.
- You can't skip any question or can't go back to the previous question.
- There is no negative marking.
- It is important to maintain decorum in the labs.
- No Mobile phones/ electronic gadgets/ bags will be allowed inside the lab during the test. Students can't carry mobile/ or any bag/ calculator in lab for test. So students should not bring mobiles along with them inside the labs.
- It is mandatory to check lab number and block number in detailed seating plan before coming for the test.
- In case of technical challenge, Student must contact the invigilator and he will help the student accordingly
- Students can't use anyone else's test link to appear in the test
- Students can't use anyone else's hotspot. If there is a problem in the PC or internet, then immediately contact lab invigilator and wait for guidelines only from the lab invigilator

Best wishes from DCPD
